

Fresh A.I.R. Gallery

APPLICATION FOR EXHIBITION

Fresh A.I.R. Gallery exhibits the work of artists affected by mental illness and/or substance use disorders. Through art, we work to educate the community and break down stigma by bringing focus to the artistic vision. Fresh A.I.R. supports artists through every step of the exhibition process, providing curatorial and installation expertise, assistance with artist statements and art pricing, publicity, and community outreach. We do not take a commission on art sales, and all proceeds go directly to artists. Through their experiences with us, many individuals develop the resources they need to continue their art careers, as well as their journeys toward healing.

If you are interested in exhibiting with Fresh A.I.R. Gallery, complete the form below and submit it, along with images of your artwork, to the address provided. We accept submissions year-round and make artist selections every autumn. We look forward to seeing your work!
