Columbus, Ohio (43215) - Fresh A.I.R. Gallery is pleased to announce INTENTION: A Manner of Healing, an exhibit featuring artwork by Ohio artist Amy Deal. While the gallery's main exhibit space remains closed due to the pandemic, INTENTION: A Manner of Healing will be on display at Fresh A.I.R.'s SEEN Studios (#21 inside the Chromedge building at 289 W. Walnut Street, Columbus, OH, 43215) from February 11 to March 25, 2022. An opening reception will be held on Friday, February 11, 6 – 10 p.m. during Franklinton Friday. Additional exhibit viewings are by appointment.

Deal is a lifelong artist who fights depression using a brush and any other item she can find in her studio to apply paint to a canvas.

The process of painting is her vehicle for dealing with current life experiences. INTENTION: A Manner of Healing features Deal's most recent abstract expressionist works. She and her husband are recent empty nesters who renovated a 6500 sq. ft. commercial building into their studio/home in downtown Dayton, Ohio.

Please be advised that Fresh A.I.R. Gallery is following Columbus COVID safety protocols and that when visiting the exhibit, you will be required to wear a mask.
