

INTERNATIONAL OVERDOSE AWARENESS DAY 2025

August 29, 2025

Overdose is preventable – when we act.

Join Southeast Healthcare's RREACT team as we stand with our community to provide evidence-based tools and resources, awareness, and connect individuals with treatment and support services.

Where We'll Be on Aug. 29:

Evidence-based tools and resources distribution

- Mount Vernon & 20th
10:00 AM – 2:00 PM
- Mound & Central Ave.
9:00 AM – 1:00 PM
- Blackburn Park (Friends of the Homeless)
10:00 AM – 2:00 PM
- 16 W. Long St. (Southeast Healthcare)
9:00 AM – 1:00 PM

Why This Day Matters

International Overdose Awareness Day is a global movement to:

- Honor lives lost without stigma
- Support grieving families and friends
- Promote proven overdose prevention solutions
- Advocate for compassionate, community-driven approaches
